

CIVILITY PLEDGE

The way we govern ourselves is often as important as the positions we take. Our collective decisions will be better when differing views have had the opportunity to be fully vetted and considered. All people have the right to be treated with respect, courtesy and openness. We value all input. We commit to conduct ourselves at all times with civility and courtesy to each other.

Public involvement and citizen engagement is welcome as Hapeville operates a very open, accessible and transparent government. We do however remind our attendees/residents that there are times allocated for public comments on the agenda. In order for council to conduct their necessary business at each meeting, we respectfully ask that side-bar conversations and comments be reserved for the appropriate time during the meeting. This will allow the City Council to conduct the business at hand and afford our meeting attendees ample time for comments at the appropriate time during the meeting.
