

CIVILITY PLEDGE

The way we govern ourselves is often as important as the positions we take. Our collective decisions will be better when differing views have had the opportunity to be fully vetted and considered. All people have the right to be treated with respect, courtesy and openness. We value all input. We commit to conduct ourselves at all times with civility and courtesy to each other.

3. WELCOME:

4. PUBLIC HEARING:

4.I. Consideration and Action to Set the 2024 Millage Rate at 17.509 Mills – Third Reading

Background:

The City has received its Consolidated 2024 Estimated Digest and the initial 2024 property tax data file from the Fulton County Tax Commissioner. Estimated Gross Assessments for Real, Personal, and Public Utilities are \$593,095,770, up from the 2023 value of \$492,129,760, an approximate increase of 20.5%.

Due to current economics and pressures of rising costs in supplies and labor, the City of Hapeville has published a proposal to increase its millage from the current 15.209 mills to 17.509 mills, increasing real property tax collections by 38.6%, \$2.2 million over Fiscal 2024. Real and personal property collections for Fiscal 2024-2025 should approximate \$9.16M.

Economic pressures and support of the growth in the City are the driving factors for the millage recommendation. The millage of 17.509 supports the 2024-2025 budget as submitted to City Council

We do however remind our attendees/residents that there are times allocated for public comments on the agenda. In order for council to conduct their necessary business at each meeting, we respectfully ask that side-bar conversations and comments be reserved for the appropriate time during the meeting. This will allow the City Council to conduct the business at hand and afford our meeting attendees ample time for comments at the appropriate time during the meeting.
