7.II. Consideration and Action on Police Department Computer Replacement Purchase of \$60,764

Background:

Many City computers have extended past the support life of Microsoft. Old and failing operating systems are limiting the effectiveness of staff, leading to delays, dropped information, down time and staff frustration. Replacements would have been requested in FY 2020. Reductions in finances and unclear revenue estimates due to the COVID 19 pandemic forced us to delay replacements. The City has sufficient funding in its budget for the replacement of the Police computers through our IT vendor, Liberty Technology, 18 desktops and monitors, and 10 laptops, inclusive of software, setup and installation.

Staff respectfully requests council approval.

7.III. Consideration and Action for the City of Hapeville to enter into an agreement with Georgia Department of Early Care and Learning for The Bright From The Start Summer Food Program 2021 and to Authorize Ashley Moody to act on behalf of the City of Hapeville as Principal and

point of contact of SFSP 2021.

Background:

The summer food service program (SFSP) grant has been utilized by the Hapeville Recreation Center for the past 9 years. The SFSP grant allows the City to serve food at no charge to children that attend summer camp, as well as children from around the Hapeville area. The Recreation Center serves breakfast and lunch Monday through Friday for all children under the age of 18, as well as adults with disabilities 19 and older. Breakfast is served from 8AM to 9AM and lunch from 12PM to 1PM and each meal consists of major food components like fruits and vegetables and milk.

This is a great program for kids and adults to utilize in Hapeville and the center is looking to have this approved so they may once again use the SFSP grant during the summer months. This will be a non-matching grant. In prior years this grant has been approximately \$16,000.

Recreation staff nominates Ashley Moody as the Delegated Principal for the summer of 2021.

All of the performances would be family friendly. The total cost of the Performance Series is \$16,400. The Academy Theatre would raise the remaining \$4,400 to balance the budget.

Background:

The Atlantic Bonding Company has applied for a renewal bail bondsman permit to operate within the city limits of Hapeville. The company is approved by the Fulton County Sheriff as required by city code section 11-3-4.

Hapeville PD has investigated the applicant as required by the code section. Attached for consideration is the application and other supporting documentation.

8.I. Consideration and Action on Skateboarding Ordinance – 2nd Reading

Background:

With the advent of Spring and more people returning outside for recreation, the City is experiencing more skateboarding, roller skating and similar activities at the skate park and also on city streets, sidewalks and memorials. Such activities can and do bring pedestrians and active participants in close contact and can also cause damage to city parks and memorials.

The ordinance for review limits skateboarding, rollerblading, roller-skating, hoover-boarding, and scootering to the skatepark. Staff requests Council review this ordinance for comments and adoption.

The first reading of the ordinance took place at the March 16 Work Session. The attached ordinance draft includes the recommendations made by Mayor and Council.

9.I. Consideration and Action on Surplus Property

Background:

The Police Department accumulates items for surplus through confiscation of assets. The first item is a 2003 Harley Davidson Road King with over 35,000 miles. The other items are a "lot" of guns that were taken in from various situations and recovered as abandoned. All the weapons have been seized and signed off on by the Superior Court of Fulton County. They must go to a licensed firearms dealer. Some can be sold while others must be melted down and destroyed. We have two separate dealers coming out to assess what they can give us for them.

Public involvement and citizen engagement is welcome as Hapeville operates a very open, accessible and transparent government. We do however remind our attendees/residents that there are times allocated for public comments on the agenda. In order for council to conduct their necessary business at each meeting, we respectfully ask that side-bar conversations and comments be reserved for the appropriate time during the meeting. This will allow the City Council to conduct the business at hand and afford our meeting attendees ample time for comments at the appropriate time during the meeting.
